

8R34K TH3 COD3!

The cryptology game CODEBREAKERS is about to get started!

Become a secret agent, break enemy messages and win the prizes! Just register your team and enter the game!

How the game works?

As part of the game we successively publish short lectures and tasks at www.codebreakers.eu discussing various subjects related to the art of encryption and decryption.

How to enter the game?

Register as an individual user at www.codebreakers.eu, find an ally and register your team of up to three members. You can play at three levels: BASIC, ADVENTURE and ENIGMA. Read lectures, solve the cryptologic puzzles and win the game!

Right now

Register your team and play the game.

The prizes

Three teams who are the first to solve all of the tasks, win the game and the prizes.

The details

are available at www.codebreakers.eu.

WILL YOU BE THE FIRST TO BREAK THE FINAL CODES?

Looking forward to seeing you at www.codebreakers.eu!

Good luck!
